House Rules

1. Claim up to _____ squares each. Write your name in every square you claim.

2. Nobody draws a number until all 100 squares have a name in them.

3. Draw the digits 0 to 9 from a bowl, one at a time, for the top row, then again for the side.

4. At the end of each quarter, take the last digit of each team's score. Where the two meet is the winning square.

5. Prizes are snacks, first pick of leftovers, or bragging rights. Nothing changes hands in money.
